2. Roll call: Present: Robert Girardi, Chairperson; Peter Zanon, Brent Swanson, Tony Baciak, Brian Pellegrini
3. Discussion of installation of a cellphone tower located at W6080 Boundary Line Road, Norway, MI.
  - a. Letters were sent out to 3 adjacent property owners within 300 feet of the proposed tower site. 1 response from property owners was received via mail.. 3 people attended the meeting in person, representing 2 affected property owners. Of these 4 residents, 1 had no objection to the cell phone tower and 3, while not opposed, voiced concerns as follows:

Jalen Bal – exact location of the tower, will there be light pollution

Jim Bilski – not sure until he sees the plans

Tim Robertson – it detracts from the natural look of the land.
4. Board action: at this time, Ramaker & Associates Inc., who is requesting the conditional use permit, has put their plans on hold. No decision will be made until the company contacts the township again.
5. Adjournment: motion made by Pellegrini, second by Swanson, to adjourn the hearing. All ayes. Hearing adjourned at 5:17 p.m.
