

## NORWAY TOWNSHIP FLAGPOLE MEMORIAL

Norway Township is replacing the flagpoles that line the main entry road of the cemetery. The current poles are old and are no longer able to properly display the flags. The new poles are 18 feet high and will have a solar light at the top that will shine down on the flags that were donated to the VFW by families of the deceased veterans. There is a total of 70 flagpoles.

Plans are to install a 3 ft. X 5 ft. monument with the name of the person/persons, family or event being recognized and the name of the person or group who sponsored each pole. There will be a 3 inch x 4 inch plaque for each of the 70 poles installed on the monument. Each flagpole will be numbered and the corresponding number will be included on the plaque so that you may choose the location of the flagpole you wish to sponsor. If you would like to choose a certain flagpole please contact Paul or Joyce. Otherwise, your name will be assigned to the next flagpole in numeric order.

The Township is offering an opportunity to sponsor a flagpole in honor of local veterans. Sponsorships can either be made in the name of a loved one or a group, such as "Members of the Johnson family", or even "All WWII veterans killed in action"

. The cost per flagpole is \$450.00. Please fill out the form on the bottom of this sheet and return to Norway Township with check made payable to Norway Township. If you would like more information, please contact Facilities Manager Paul Chartier at 906-563-7362 or Clerk Joyce Giuliani at 715-927-0423.
