*An escrow fund may be required for any permit if the Planning Committee, the Zoning Board of Appeals, or the Zoning Administrator determine other professional services will be required to determine if a permit is to be issued. This escrow fund will be used for legal, engineering, or other services that are needed to determine if the permit is to be issued. Any unused funds paid by an applicant to an escrow fund will be returned to the applicant once the permit is issued or denied at the highest level as agreed upon by the Township and applicant. The minimum amount to be held in an escrow fund will be $5,000 unless the Township agrees to lower this sum. This sum ($5,000) must be maintained during the application process. The Township will disclose all expenditures from this escrow fund to the applicant who has initiated the permitting process.

*An appeal to reduce the cost of a permit may be made to the Norway Township Board.

I grant the Zoning Administrator, Planning Commission members, and Zoning Board of Appeals members permission to inspect the site and/or take photographs prior to the hearing date.
